ORDER OF THE BATH.

War Office, July 1st, 1864.

THE QUEEN has been graciously pleased to give orders for the appointment of Major General *Sir Henry Knight Storks, K.C.B., G.C.M.G., late Her Majesty's Lord High Commissioner of the Ionian Islands*, to be an Ordinary Member of the Civil Division of the First Class or Knights Grand Cross of the Most Honorable Order of the Bath.

THE VICTORIA CROSS

CONTINUED FROM

"The Monthly Army Lists" of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, February, March, June, July, September, October and December, 1860, March, April, August and September, 1861, and March, June, July, December, 1862, May, 1863, and February, 1864.

War Office, July 16th, 1864.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officer of Her Majesty's Indian Forces, whose claim to the same has been submitted for Her Majesty's approval, for his gallant conduct during the operations at Umbeyla, on the North-Western frontier of India, as recorded against his name, viz. :—

Bengal Staff Corps.—Lieutenant HENRY WILLIAM PITCHER, Adjutant, 4th Punjab Infantry.—Date of Acts of Bravery, October 30th and November 16th, 1863.—For the daring and gallant manner in which, in the course of the recent operations against the Frontier Tribes, on the 30th October, 1863, he led a party of his Regiment to re-capture the Crag Picket, after its garrison had been driven in by the enemy; on which occasion sixty of them were killed in desperate hand to hand fighting. From the nature of the approach to the top of the Crag amongst the large rocks, one or two men only could advance at one time; "and while I ascended one path," relates Major Keyes, commanding the 1st Punjab Infantry, "I directed Lieutenant Fosbery, of the late 4th European Regiment, to push up another, at the head of a few men. He led this party with the greatest coolness and intrepidity, and was the first man to gain the top of the Crag, on his side of the attack. Lieutenant Pitcher, equally cool and daring, led a party of men up to the last rock, until he was knocked down and stunned by a large stone thrown from above, within a few yards of him." Lieutenant Pitcher also displayed great gallantry in leading on a party of his Regiment to endeavour to recover the Crag Picket, when it again fell into the enemy's hands, on the 13th of November, as related in the following extract from Major Keyes' report of the 16th of that month :—"The duty of leading the first charge devolved upon Lieutenant Pitcher, and I beg to bring to the special notice of the Brigadier-General Commanding the admirable manner in which he performed this important duty. He was by many yards the foremost of his party, and the gallant bearing of this excellent young Officer was the admiration of all spectators. It is impossible to say too much, or to overrate his services on this occasion. Lieutenant Pitcher was severely wounded, and was obliged to be carried back."

WARRANTS, CIRCULARS, &c.

CIRCULAR, No. 868.—(*Camp Equipment and Stores in Local Charge.*)

HOME AND FOREIGN (EXCLUSIVE OF INDIA).

—Gen. No. 2758.

War Office, 17th June, 1864.

1. THE Secretary of State for War having had under consideration the mode of accounting for camp equipage, harness, carriages and stores in charge of the Quartermaster General's Department, or on the local charge of troops, *exclusive* of those forming their *personal equipment*,* cancels the Circular Order of 6th November, 1855 (P—105), with the form of return therein prescribed, and, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, desires that in future returns as per W. O. Form, No. 412, annexed, shall be rendered half-yearly for examination.

2. These returns are to be closed on 30th June and 31st December, and rendered within seven days to the Chief Military Store Officer at the station, accompanied by vouchers, proceedings of Boards of Survey and Courts of Inquiry, to account for losses and deficiencies. A similar return is also to be rendered whenever any regiment, corps or detachment, quits a station, showing its final charge of stores in possession at the time of departure.

3. The Chief Military Store Officers at *home and abroad* will open an account with each department or corps, and, on receipt of the returns before alluded to, they will examine and forward them with such remarks as they may think necessary to the officer in charge of the Quartermaster General's Department at the station, for the decision of the officer commanding the forces, with respect to losses or damages proposed to be charged against the troops. The returns are then to be sent back to the Military Store Officers, who will retain them in possession.

4. All articles lost or damaged through carelessness are to be charged against the troops, at a rate founded on the value of the articles, with reference to their state at the time of their being lost or destroyed; the amounts charged for such losses or damages are to be paid, if *abroad*, into the Treasury chest at the station, upon the authority of returns, W. O. Form 413, supplied by the Chief Military Store Officer to the local accountant for Army Expenditure, showing the sums to be paid, counter-signed by the officer in command of the troops at the station. If *at home*, the returns charges against the troops will be sent by the Chief Military Store Officer to the Director of Stores, in order that the Accountant General may claim the amount due.

5. In the event of a regiment, corps or detachment leaving one *foreign* station for another station *abroad*, with any articles still in charge to be afterwards accounted for, a detailed return of such stores is to be forwarded by the Military Store Officer to the Chief Officer of the Store Department at the station to which the regiment, corps or detachment may be proceeding, a duplicate being sent to the Director of Stores, in order that he may see that the charge against the troops has been properly maintained. The Military Store Officer at the station to which the troops have proceeded. If the regiment, corps or detachment is *returning home*, such return in duplicate is to be forwarded to the Director of Stores, who will transmit the same to the Military Store Officer at the station where the troops may be quartered, and retain the duplicate for the purpose above mentioned.

6. In the case of troops *proceeding abroad*, similar returns in duplicate will be furnished by the Chief Military Store Officer at the station vacated by the troops to the Director of Stores, by whom one will be sent to the Chief Military Store Officer at the station to which they are proceeding, and the other retained as before directed. In the event of any additional stores (not equipment) being issued to the troops previously to embarkation by the Chief Military Store Officers at the Tower, Woolwich, or other

* Equipment is intended to include all those articles which are always in possession of the troops, and are paraded with them when in marching order.

CIRCULAR, No. 868—continued.

station, duplicate returns thereof are also to be furnished and dealt with in the same manner.

7. Should regiments, corps or detachments *change quarters at home*, duplicate returns of all articles taken with them that do not form the equipment of the troops are to be prepared and dealt with as in case of troops proceeding from one station to another *abroad*. (See Article 5.)

8. When any of the articles in local charge require repair, the officer in command of the corps or in charge of the department will apply to the Chief Military Store Officer at the station to have such repairs performed. Should there be an artificer attached to the corps, he will, under the superintendence of his immediate commanding officer, carry out the necessary repairs, materials being demanded from the Military Store Department. If *abroad*, the demand must be approved by the officer commanding the troops; if *at home*, by the Secretary of State for War.

The stores so supplied are to be accounted for in the half-yearly return.

Should there be no artificer attached to the corps or to the Military Store Department, the Chief Military Store Officer will call upon some local tradesman for an estimate, showing the amount for which he would execute the repairs, and will forward the same, if *at home*, for the approval of the Secretary of State, if *abroad*, for that of the officer commanding the troops. If, however, the artificers of any other corps are at hand, the Chief Military Store Officer, prior to employing local tradesmen, will call upon the officer in command of such corps for his assistance in carrying out the repairs, materials being supplied. Ninepence per diem working pay will be allowed to each artificer while so employed. This payment is to be made on the usual working pay list, vouched by the certificate of the Military Store Officer, for and under whom the work has been performed.

With regard to harness, a small surplus should always be in charge of the Military Store Department at those stations where it is in local use by the troops; such harness and other stores should be specially marked when practicable with the letters L. U., to show they are for local use, so that they may not be confounded with equipment.

9. When any articles in local charge become unserviceable, a Board of Survey (other than regimental) is to be assembled, consisting of three officers, one of whom should, if possible, be a field officer, as president—an officer of the Military Store Department, whenever available, being one of the members.

The proceedings of Boards of Survey are to have the covering approval of the officer in command of the troops, and are to be retained by the Chief Military Store Officer at the station. Should the stores condemned require to be replaced, they are to be demanded in the usual way. Proceedings of Courts of Inquiry as to the loss of stores are to be treated in a similar manner.

10. No articles in local charge are to be transferred from one regiment, corps or department to another without the knowledge of the Chief Military Store Officer at the station, and only upon the written authority of the officer commanding the troops.

A Board of Survey constituted as above must then be assembled to consider the charges which should fall respectively upon the corps giving over the stores, and upon the one receiving them. The proceedings of this Board will be forwarded to the Chief Military Store Officer at the station, with a view to the regulation of his charge against the regiment or corps.

11. All articles required by the troops which do not form part of their personal equipment are to be demanded through the Quartermaster General, and will be issued by the Military Store Department *direct* to, and to be accounted for by, the regiment, as before prescribed. The demands having been previously approved, if *at home*, by the Secretary of State for War, and if *abroad*, by the officer in command of the troops.

12. Any camp equipage or other regimental stores now in possession of the Quartermaster General's Department at any station for the use of the troops are to be returned to the Military Store Department; but other articles, such as flags, signals, tools of military labourers, now accounted for by, or in charge of, the Quartermaster General's Department, for local use, and not in possession of regiments or corps, are still to be accounted for by that department to the Chief Military Store Officer in the same manner as above shown in W. O. Form No. 412.

13. In order that the quantities of stores required for local services may be always available, care must be taken that adequate provision is made in the annual estimates of the probable wants of the Quartermaster General's Department at all stations, in accordance with the War Office Circular No. 824.

CIRCULAR No. 869.—(Camp Equipment.)

HOME AND FOREIGN (EXCLUSIVE OF INDIA).

7—Gen. No. 2650.

War Office, 6th July, 1864.

THE Secretary of State for War having, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, approved of the accompanying lists of camp equipments for troops in standing camps and on active service, the same are now promulgated for general information and guidance.

HARTINGTON.

[* May be obtained on application at the War Office.]

CIRCULAR No. 870.—(Combustible Stores.)

HOME AND FOREIGN (EXCLUSIVE OF INDIA).

5—Gen. No. 430.

War Office, 12th July, 1864.

THE Secretary of State desires that the following regulations be strictly observed by all persons engaged in work connected with combustible stores, viz. :—

1. All persons so employed are to change their outer clothes, viz. : coat, waistcoat, trousers, cap and shoes, and to wear the suits specially provided for this purpose.

2. The change of clothes is to be effected in a shifting house, where the ordinary clothing is to be deposited.

3. No laboratory operation which involves risk of an explosion is to be carried on within a distance of 400 yards from a magazine in which large quantities of gunpowder are stowed.

4. Only steady and intelligent men are to be employed on laboratory work, and the preference is to be given to those who have passed through a course at Woolwich.

5. No accumulation of gunpowder or other explosive material is to be allowed, on any account, in the workshops, or in close proximity to the laboratory buildings.

A small expense magazine, in a safe position, is to be provided: the stores are to be drawn from this magazine in small quantities as required, and the finished work is to be returned to the magazine in the same way. This is a most important point, for, notwithstanding every precaution, an accident may occur. All the arrangements should, therefore, be made with a view to reduce, as far as practicable, the amount of explosive or combustible materials in a building at any one time where laboratory operations are being carried on.

The destruction of combustible stores by fire, or by breaking up, is on no account to be effected within the precincts of a laboratory.

The following rules in regard to dress, which are observed in the Royal Laboratory, Woolwich, are to be carried out in the case of all persons engaged in work connected with combustible stores, viz.:—

All persons so employed are to change their outer clothes, viz.: coat, waistcoat, trousers, cap and shoes, and to wear the suits specially provided for this purpose.

The change of clothes to be effected in a shifting house, where the ordinary clothing is to be deposited.

JAMES YORKE SCARLETT, *Adj. Gen.*CIRCULAR MEMORANDUM. W. O. No. 5. (*Instructions to Barrack Masters respecting Barrack Stores.*)

HOME.

56—Gen. No. 1379.

*War Office, Pall Mall, S. W., 30th June, 1864.**Demands.*

BARRACK Masters are informed that it has been decided to make, for the future, but one supply of Stores during the year to each Barrack. Annual demands are therefore to be made on War Office Form 1481, which is to be filled up under the several headings, and forwarded to this Office, addressed to the Superintendent of the Barrack Department, not later than the 15th November in each year. It is to be observed, that although the demands are required at that time with the view to the preparation of the Estimates, the supplies will probably not be made before the June quarter following.

Demands for musketry drill articles are to be forwarded in the usual way, through the Inspector General of Musketry.

Purchases.

With a view to the reduction of correspondence, Barrack Masters are to apply for authority to purchase such articles as are usually obtained on the spot, only once in a quarter, at such time as may be most convenient. In the same letter (which is to be forwarded in duplicate), they are to apply for authority to procure such articles as may be required from contractors, including fuel, light and straw, detailing the quantities, price and total cost of each article required. One copy of the letter will be returned to the Barrack Master, with authority to purchase or procure such articles as may be approved; and this copy is to be forwarded with the Barrack Master's cash accounts as his authority for the expenditure. It must be distinctly understood, that the entire amount authorized to be expended in any quarter must be paid within the quarter in which the authority is given, and must appear in the abstract for that quarter. A form of letter is enclosed.

In order to enable this system to apply from the 1st April last the Barrack Master is to send in a duplicate statement, showing purchases that have been authorized during the present quarter, and articles procured from the contractors.

RC. MEM. Gen. No. 1879—continued.

Carriage of Stores.

Expenses for the carriage of Barrack or Engineer Stores to be reported separately in each case, for covering sanction, not oftener than once in a quarter.

Issue of Old Linen.

Applications to issue linen for cleaning rifles need not be made, provided the demands do not exceed the quantity allowed by Circular 678 for Regiments of the Line, or 1 oz. per man for the Artillery, and 1 oz. per man for the Militia during the annual training.

Stores and Expenses for Militia.

A return of all expenses incurred on behalf of the Militia during the annual training for the issue, purchase and repair of Stores, and for the washing of bedding, which have not been charged in the Barrack Master's cash accounts to the Militia Vote, is to be forwarded to the War Office as soon as possible after the annual training is over.

Superintendent of the Barrack Department

THE VICTORIA CROSS

CONTINUED FROM

"The Monthly Army Lists" of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, February, March, June, July, September, October and December, 1860, March, April, August and September, 1861, and March, June, July, and December, 1862, May, 1863, February and August, 1864.

War Office, August 16th, 1864.

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officer, whose claim to the same has been submitted for Her Majesty's approval, for his gallant conduct in New Zealand, as recorded against his name, viz. :—

107th Regiment.—Lieutenant Colonel JOHN CARSTAIRS M'NEILL.—Date of Act of Bravery, March 30th, 1864.—For the valour and presence of mind which he displayed in New Zealand, on the 30th of March, 1864, which is thus described by Private Vosper, of the Colonial Defence Force. Private Vosper states that he was sent on that day with Private Gibson, of the same Force, as an escort to Major (now Lieutenant Colonel) M'Neill, Aide-de-Camp to Lieutenant General Sir Duncan Cameron. Lieutenant Colonel M'Neill was proceeding to Te Awamutu on duty at the time. On returning from that place, and about a mile on this side of Ohanpu, this Officer, having seen a body of the enemy in front, sent Private Gibson back to bring up Infantry from Ohanpu, and he and Private Vosper proceeded leisurely to the top of a rise to watch the enemy. Suddenly they were attacked by about 50 natives, who were concealed in the fern close at hand. Their only chance of escape was by riding for their lives, and as they turned to gallop Private Vosper's horse fell and threw him. The natives thereupon rushed forward to seize them, but Lieutenant Colonel M'Neill, on perceiving that Private Vosper was not following him, returned, caught his horse, and helped him to mount. The natives were firing sharply at them, and were so near that, according to Private Vosper's statement, it was only by galloping as hard as they could that they escaped. He says that he owes his life entirely to Lieutenant Colonel M'Neill's assistance for he could not have caught his horse alone, and in a few minutes must have been killed.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order, which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

•

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.
